

From The Principals' Desk

Dear Families,

Prep 2019 Enrolments

We remind families that enrolment application forms for Prep 2019 are now due.

NAPLAN online- National Assessment Program for Literacy and Numeracy

It has been a busy couple of weeks for the Year 3/4 and 5/6 students and teachers.

Our Willy Kids have taken these assessments in their stride and very importantly, they have seen these assessments as just one of many experiences at school, demonstrating a nonplussed, have-a-go attitude. Their resilience has been well regarded by all. We will look forward to sharing both the individual and cohort results with you when we receive them later in the year.

Semester one reports

Semester one reports are being finalised and will be shared with families on Friday June 22nd. This year reports will be distributed through the Compass portal. We know you will be looking forward to reading the teachers' comments about your child's learning growth, attitude and approach to learning, as well as their social competencies. We hope you'll take the time to read these reports through with your child and celebrate the outcomes with them.

*Please note that **Student Learning Conferences** will take place on **Tuesday, June 26th** for all classes commencing at 1:30pm. Any questions you may have about your child's learning progress can be discussed then. Students will be dismissed at 12:30 on this day.*

Notice of Annual General Meeting (AGM)

On Tuesday June 5th, just prior to our regular School Council meeting, we will hold our 2018 Annual General Meeting. All families are welcome to attend. Please note that Williamstown Primary 2017 Annual Report is now displayed on our website and copies are also available from the school office.

Have a wonderful week!

Regards,

Mat and Andrea
